

PRESS RELEASE

On Sunday 11th March 2012 a selection of Rayleigh Town Councillors, Lower Wyburns allotment tenants, girl guides and members of public, totalling 26, joined together for the "Love Where You Live" campaign and participated in a Litter Pick at Lower Wyburns Allotment Site.

The Litter Pick was initially suggested by John Amey, a tenant at Lower Wyburns as several items had been strewn behind the perimeter fence, including pallets and empty milk cartons.

The litter pick ventured into the Woodland and all sorts of rubbish was discovered including tyres, road signs, benches and a shopping trolley.

The Town Council would like to thank everyone that took part as they offered a true community unity and created a tidy environment for the general public and wildlife within the Woodland Trust area.
